

## Exhibition

The MSE has become the central worldwide platform for Material Science and Engineering experts. The knowledge exchange of the latest developments in the field of Material Science and Engineering as well as connected disciplines is a major feature of the MSE. Use this platform for presenting your products.

Become an **exhibitor** and secure one of the limited exhibition spaces in the central building of the MSE. Present your product portfolio to the scientific audience and meet your target groups for laboratory equipment and accessories.

Additionally, advertise in a **product presentation** your latest developments to scientists, research group leaders and employees.

**Package 2 – Exhibition** ..... 2.500€  
Present your company and products to an international expert audience. Network with experts from the field of Material Science and Engineering and get in contact with customers and providers. For this you have up to 6m<sup>2</sup> presentation space.

**Product presentation** ..... 500€  
You have the opportunity to present your products and latest developments to a professional audience. Additionally, your products will be presented in the DGM Newsletter.

## General information

SEPTEMBER 27<sup>TH</sup> - 29<sup>TH</sup>, 2016

DARMSTADT, GERMANY

RECRUITING AND  
EXHIBITION

DURING THE MSE CONGRESS

[WWW.MSE-CONGRESS.DE](http://WWW.MSE-CONGRESS.DE)

## Recruiting

The international Congress MSE - Materials Science and Engineering opens its doors at the Darmstadt University of Technology from September 27<sup>th</sup> to 29<sup>th</sup>, 2016. With 62 symposia and more than 1,400 participants from all over the world it is an essential of the international congress scene. The MSE is the meeting point for experts and highly qualified young professionals.

During the **recruiting** accompanying the congress you have the opportunity to introduce yourself as an employer to young professionals, students, graduates and PhD candidates from the Materials Science and Engineering field.

Attract the interest of potential applicants in search of new challenges with a **company presentation** followed by a plenary discussion.

**Package 1 – Recruiting** ..... 1.500€  
Get in contact with high qualified students, graduates and PhD candidates and present the career opportunities in your company! You will have up to 4m<sup>2</sup> available as presentation area.

**Company Presentation** ..... 500€  
Introduce your company to young professionals with a presentation and plenary discussion. Your job advertisements will also be published in the next DGM newsletter and on the MSE website.
